Spring 2025 Syllabus Template

The Tennessee Tech syllabus template has been updated for Spring 2025 to reflect new policy name changes. You can view the updated information <u>here</u>.

As you revise and update your courses, don't forget to check out our <u>Student Centered Syllabus</u> workshop. Additionally, join us on Jan. 14th to explore the new features in iLearn and learn how to transform PDFs and Docs into engaging content using Creator+.

Spring 2025 Course Combines

If you haven't already, remember to request your course combines before the beginning of the semester. This allows our team to ensure everything is ready and gives you the opportunity to verify that all necessary information is included before classes start.

Important: Grades issued before the course combine will be deleted and cannot be retrieved.
