## Middle School Science Add-on Endorsement

## Tennessee Tech University

### College of Education

TTU is offering licensed teachers the opportunity to pursue the Middle School Science endorsement. Some candidates may only need four (4) courses for the endorsement, depending on the type of initial teaching license they hold. Typical course load for completion:

**ASTR 1010: Intro to Modern Astronomy**

**BIOL 3120: General Ecology**

**CUED 4400/5400: Teaching Methods Physical Science**

**SEED 4123/5123: Materials & Methods of Teaching Science**

### COMPLETE COURSES

*Four courses with options year-round. Based on transcript analysis and current Tennessee license.*

3

### PASS PRAXIS

Successfully pass the Praxis test(s) required to complete the endorsement process

**Can be completed Fully ONLINE!**

Convenient for busy schedules

**Praxis 5442**

**Relevant coursework**

Prepares you for the Middle School classroom

This package is a great opportunity if you are currently licensed and want to add an endorsement in Middle School Science. All courses are can be completed online (depending on term). Here are your simple steps:

1. Contact Elora Davis (eldavis@tntech.edu) and tell her you are interested in adding a Middle School Science endorsement.
2. Submit a request for a transcript analysis and Program of Study.
3. Be admitted to the university (discuss undergraduate vs. graduate with add-on advisor prior).
4. Register and complete 4 courses (or other determined amount).
5. Pass the respective Praxis licensure exam(s) (at some point during coursework).
6. Tech will recommend you for the add-on endorsement in TN Compass at the end of your coursework and once you have passing scores on the required Praxis exam(s).
