Join Us in Hope for the Holidays

Empower Student Success: *Support the College of Education Foundation*

The College of Education offers an **expansive inventory of degrees, programs, and unique learning experiences** available to our students, from undergraduates to doctoral.

It is our **goal that all students have access to these resources and opportunities** as they are essential future professionals. Our students, by the very nature of their subject choices, have personal and career aspirations focused on entering fields synonymous with caring, support, empathy, and efforts to improve the life experiences of others.

With your confidence in and generosity to these invaluable programs – highly qualified **emerging educators, researchers, counselors, and allied health professionals will flourish in our community, region, and beyond.** Please consider supporting our student-centered programs through a contribution to the College of Education Foundation.

Help us **bring more hope to more students.**

Wishing you and yours a lovely holiday season,
~ Lisa Zagumny, Dean / College of Education

To learn more and/or make a secure donation online, please visit www.tntech.edu/education/support or scan the QR code.

Contributions, regardless of amount, have a positive impact on our students. Thank You.
