

Tennessee Tech Annual Retention Report

The *Annual Retention* report provides retention rates for first-time, full-time freshmen and transfer students at the institution, college, and program level.

The Table of Contents below includes links to the different sections and can be used to navigate within this report. Each section also includes buttons to navigate back to this page. College summaries have additional buttons to aid in navigating to reports within a College.

Data Notes:

1. All data conforms to TTU internal reporting standards and may differ slightly from official reports provided to external constituents such as the Tennessee Higher Education Commission. Differences in reporting date can also cause minor discrepancies.
2. Unless otherwise noted, all data represents 14th Day census counts for the specified time period.
3. Program names, department names, and department affiliations are as of the most recent Fall term. Programs that were different in previous years are mapped to the current definition.
4. As defined by THEC, “Students of Color” include students who self-identify as Alaskan Native/American Indian, Black/African American, Hispanic/Latino, Native Hawaiian/Pacific Islander, or Two or More Races.
5. For Race/Ethnicity, the category “Other” includes Asian and Race/Ethnicity Unknown.
6. Pell-Eligibility and First-Generation Status are pulled from the FAFSA. Retention rates for these categories are based on the number of students who completed the FAFSA.
7. 2nd-to-3rd year retention is based on the cohort of first-time, full-time students who returned their second fall as opposed to the initial cohort of first-time, full-time student for that cohort year.
8. Caution should be used when interpreting retention rates based on a low number of students in a cohort as even small changes can result in significant increases and decreases over time.
