

ATTACHMENT F
 COST SHEET
 LEAD-BASED PAINT ABATEMENT

NOTE: The below listed unit costs are considered to be firm for the first year of this Contract. Unit costs bid are to include all labor (including all travel and lodging expenses) and materials necessary for complete work plan development, abatement and final clearance air and surface wipe sampling by an independent testing firm. Unit cost is also to include mobilization and set-up fees. Tennessee Tech will not be responsible for any additional charges above the unit cost prices given below. Further, Tennessee Tech will not provide or reimburse the Contractor for lodging or other travel expenses of its workers. All work under this contract must be authorized by a Tennessee Tech Project Manager or Facilities Associate. A maximum of 15% may be added as a surcharge for work performed during night or weekend hours (For the purpose of the Contract, normal business hours are defined as 7:00 am to 4:00 pm, Monday through Friday).
